NOTES

1. Students must meet the receiving institution's foreign language and/or health & p.e. requirements, if applicable, prior to or after transfer.
2. 1 SHC of Cooperative Education (+COE) may be included in the AS and AA as an elective.
3. See link below for a complete transfer list from NC Community Colleges to UNC/CAA private college
http://intranet.northcarolina.edu/docs/assessment/caa/December%202005/132_Transfer_Course_List_11.16.05.pdf

In compliance with the Comprehensive Articulation Agreement, graduates of the Associate in Arts degree program as outlined here will be eligible to transfer to all constituent institutions of the University of North Carolina with junior status if admitted into the institution. To be considered for junior status, graduates must meet the same requirements set for native university students with respect to such things as grade point average and credit hours accumulated. Graduates will normally receive 64 SHC upon admission to a university. Admission to a university does not constitute admission to a particular school or a specific program within the university.

All courses listed on this sheet (except those identified with a +) will transfer to all UNC institutions. These and other courses offered at SCC may transfer to selected public and private colleges and universities. See your SCC advisor and contact an advisor at the college you wish to attend for additional information.
